Road Closures Cape Town CBD

Dear Valued Customer,

We regret to inform you of several road closures that we be in effect in Cape Town ahead of the first sitting of Parliament tomorrow the **14th of June 2024**.

Roads closures have already begun in the CBD and Foreshore area in Cape Town as of last night, with more closures to follow today and tomorrow.

As a result, we do anticipate heavy traffic delays throughout the CBD, and several areas being inaccessible. This will have significant impact on our ability to meet service expectations on deliveries and collections. Where possible we will endeavour to deliver and collect shipments on time, however in the event that we are unable to do so, we will notify affected customers.

We continue to focus our efforts on delivering a world-class service to all our valued customers.

Should you need additional support or information you may contact your Customer Relationship Manager directly, or alternatively reach out to our live chat team on www.aramex.co.za

We thank you for your support and understanding in this regard.

Sincerely,

Hein Bruyns
